WORK EXPERIENCE

Universities

- National Qualification (ASN) to Full Professor in Economic Statistics (13/D2) since 2013.
- National Qualification (ASN) to Full Professor in Social Statistics (13/D3), (since 2020)
- Associate Professor of Social Statistics STAT-03/B– University of Siena (October sth 2023- today),
- Associate Professor of Economic Statistics SECS-S/03 – University of Naples Parthenope (2010-September 30th 2023)
- Researcher in Economic Statistics SECS-S/03 – University of Naples Parthenope (2002-2010)
- Research Fellow in Economic Statistics at Dept. Quantitative Methods, University of Siena, Italy (2000-2002)

Current Teaching activities Bachelor/Master level

- Methods for Social Research, Department of Economics and Statistics, University of Siena (AY 2023–present)
- Sample survey and Data science, Department of Economics and Statistics, University of Siena (AY 2023–present)

Teaching activities Doctoral level (last 5 years)

- Introduction to R and RStudio (3 hours), PhD *Life Course Research* – Socio-Demographic Curriculum, University of Florence (2023- present)
- Introduction to Educational Poverty (3 hours), PhD *Life Course Research* – Socio-Demographic Curriculum, University of Florence (2023- present)

PhD Thesis Supervision

- 2014: Supervisor of the PhD thesis of Giancarlo Cornelio, “Inequality in Life Conditions of Migrants in Italy”, Ph.D. in Statistics and Quality of Economic Data, University of Napoli Parthenope.
- 2017: Supervisor of the PhD thesis of Gaetano Grilli, “Measuring Well-being in Different Contexts and Population Groups”, Ph.D. in Quantitative Economics and Euro-languages for the Sustainability of Well-being, University of Napoli Parthenope.
- 2018: Co-supervisor of the PhD thesis of Francesco Schirripa Spagnolo, “M-Quantiles Models in Socio-Economic Studies”, jointly with Prof. N. Salvati (University of Pisa), Ph.D. in Statistical Economics and Sustainability, University of Napoli Parthenope
- 2023–present: Supervisor of PhD candidate Roberta Cipriano, PhD *Programme Life Course Research* – Socio-Demographic Curriculum, University of Florence.
- 2025- present: Supervisor of PhD candidate Tommaso Budini, PhD *Programme Life Course Research* – Socio-Demographic Curriculum, University of Florence

Other Affiliations

- SIS, Italian Statistics Association (since 1996)
- AISP Italian Association for Population Studies (since 2020)
- SIEDS Società Italiana di Economia Demografia Statistica (since 2023)
- ISI International Statistical Institute (since 2025)
- IASS International Association of Survey Statisticians
- Camilo Dagum/Tuscan Universities Research Centre – Camilo Dagum on Advanced Statistics for the Equitable and Sustainable Development – ASESD (since 2015)
- ISQOLS, International Society for Quality-of-Life Studies (2023-2024)

Other scientific activities
(last 10 years)

- External Collaboration Contract: Agreement for the conversion of scripts used in the HFCS from SAS to STATA, The Central Bank of Malta (October 2023- June 2024)
- Member of the Scientific Committee inter-institutional on educational poverty of National Institute of Statistics (ISTAT), coordinator Prof. Monica Pratesi (2023-today)
- Guest editor of the Special issue “Advanced techniques for constructing indicators and composite indicators”, Social indicator research 2022 in collaboration with Angeles Sanchez, Eduardo Jiménez-Fernandez and Laura Neri.
- Principal investigator of the University of Naples Parthenope in the research projects: “Progetto ViviSmart edutainment online” (December 2021- today); “Indagine bambini progetto ViviSmart 2.0”. (March 2019- October 2019); “Indagine bambini progetto ViviSmart” (October 2017- December 2018) on behalf of third parties with the University LUMSA (P.I. Prof. C. Nosi). Research projects commissioned by Barilla G and R. Fratelli società per azioni.
- Guest editor of the Special Issue " Multidimensional Child Poverty and Sustainability", Sustainability (MDPI) (2020-2021)
- Member of editorial board di Estudios of Economia Aplicada, Spain. ISSN: 1697-5731 (October 2018- today)
- External Collaboration Contract, International Labour Organization (ILO):Proof-reading and quality control of econometric material (July, 2016); Evaluating the working conditions of youth in the Labour Market, Topic 2 “Wages and labour income profiling and returns to education” (January 10th - April 30th 2015); Assessment of policy questions with reference to ‘Wages of Youth in the Labour Market’ (October 2014); Proof-reading and quality control of econometric material referent to the Global Wage Report (August 2014)
- Research consultant for the Italian Foreign Minister (Development co-operation Office), Statistical Evaluation of the new national Survey INCAF/2012-2013 (Inquérito Contínuo aos Agregados Familiares) conducted by INE (Instituto Nacional de Estatística) of Mozambique. Mission in Maputo (Mozambique) (September 2013)
- Research consultant for GOPA Consulting in the research project “Quality, methodology and research Lot 1: Methodological support Guidelines tools and desktop study for the implementation of the methods for an integrated system of European Social Surveys”. (November 2013-July 2014)

Research projects
(last 10 years)

- 2026 Technical-scientific collaboration to carry out the project: 'The compass for building the perspective of young people in the municipality of Siena ', in collaboration with the Municipality of Siena.
- 2025 Technical-scientific collaboration to carry out a quantitative survey aimed at collecting statistical information to quantify and map the presence of NEETs in the municipal area, as part of the SiRestart project of the Municipality of Siena
- Principal investigator of the Research Project PRIN 2022 “Stem in Higher Education & Women INequalityS [SHE WINS]. Project code: 2022LWYSYL (October 15th 2023-present)

- Member of the research project PRIN PNRR 2022 “MYPEOPLE: Measuring inequality, Poverty and living conditions for Planning Local strategies”. Project code: P2022J7TJ3. PI Prof. Gianni Betti, University of Siena (November 30th 2023-present)
- Co-investigator of the Research Project ERDF-Junta de Andalucía, Project of Excellence (ProyExcel_00032), 2022-2025 (three years): Objective poverty and subjective socio-economic status in the European Union. Principal Investigator: Angeles Sánchez (University of Granada)
- Member of the research project “Pro-environmental behaviors, natural resources and social inequalities: multidimensional measures and models (CoRNDiS)”, supported by University of Naples Parthenope using Italian Ministry for Education (MUR) funds (dm 737/2021). Principal Investigator Prof. Elisabetta Marzano, University of Naples “Parthenope” (January 2022- 2023)
- Member of the research project “An innovative methodological approach for measuring multidimensional poverty in Andalusia” (B-SEJ-242-UGR20). Funding FEDER-Universidad de Granada. Principal investigator. Prof. Ángeles Sánchez Domínguez (UGR) (July 2021- June 2023)
- Member of the Prin 2017 project - Students’ Mobility from high school to job placement: micro-data life course analysis of university student mobility and its impact on the Italian North-South divide, research unit University Federico II, local PI Prof. Giancarlo Ragozzini, national PI Prof. Massimo Attanasio University of Palermo (2019-2022)
- Member of the research project “Sustainability, externalities and efficient use of environmental resources”, supported by University of Naples Parthenope (Competitive Research Program, 2016-2018). Principal Investigator Prof. Bruno Chiarini, University of Naples Parthenope (April 2017- February 2020)
- Member of the research project Inclusive Growth Research Infrastructure Diffusion, G.A. no. 312691 (SEVENTH FRAMEWORK PROGRAMME – Capacities). Scientific coordinator Monique Ramioul e Guy Van Gyes, HIVA, Belgio (February 2013-February 2017)

Organized/Invited
presentations/Scientific
Committee (last 5 years)

- Invited Talk: "Digital Poverty in Italy: New Measures and Regional Comparisons among Young People (6–19 years)" Presented at Visible and invisible inequalities: insights on data and methods, 5th Regional Statistical Conference | Valletta, June 3–5, 2026
- Chair of the session “Economic Challenges and Opportunities in the Mediterranean Regions” in the International conference Landscapes Across the Mediterranean (CrossMED), University of Granada (Spain), 9-11 December 2025
- Member of the Scientific Committee, Midterm Workshop PRIN 2022, SHE-WINS? The Race is Started Inequalities and Opportunities in Education, April 07, 2025, Palermo, Italy
- Member of the Scientific Committee, Workshop finale MYPEOPLE: Measuring inequality, Poverty and living conditions for Planning Local strategies, University of Bergamo, 23 January 2026
- Session Organizer, SOL-14: Measuring Poverty and Subjective Poverty, SIS Conference, 16–18 June 2025, Genoa, Italy
- Member of the Scientific Committee, ITACOSM–IASS Conference, 2025
- Session Organizer, Imputation Strategies for Social Surveys, ITACOSM–IASS 2025, 1–4 July 2025, Bologna, Italy
- Organizer of the Special Session CO161: Statistical models and methods for education II in CMStatistics2024, King’ College London, UK, 14-16 December 2024 (Organizers: Antonella D’Agostino Isabella Sulis- University of Cagliari)
- Invited talk, Special Session CO205: Recent advances in well-being and poverty measurement in CMStatistics2024, King’ College London, UK, 14-16 December 2024 (Organizers: Chiara Gigliarano- LIUC, Maria Teresa Ciommi - University Politecnica delle Marche)

- Session Organizer, Panel H.05 — Gender Inequalities in STEM Education and the Labour Market: Evidence, Determinants, and Interventions, Third International Conference of the journal *Scuola Democratica*, June 3–6, 2024, University of Cagliari (Italy). (Organizers: Dalit Contini (University of Turin, Italy); Giovanni Boscaino (University of Palermo, Italy); Antonella D'Agostino (University of Siena, Italy)).
- Invited talk, “Unveiling Gender Dynamics: The Evolution of Gender Differences in the High School-to-University Transition and STEM Program Choices in Italy Over Time” (autori: R. Ciprino, A. D'Agostino, R. Guetto) in session D.03.: Drivers of education inequalities in student performances and choices Third International Conference of the journal “*Scuola Democratica*” June 3-6, 2024, University of Cagliari, Italy
- Chair and Discussant for the specialized session “Life course and Education” SIS 2024, The 52nd Scientific Meeting of the Italian Statistical Society University of Bari Aldo Moro Bari, Italy, June 17-20, 2024 (Organizers: Valentina Tocchioni, University of Florence)
- Organizer of the Special Session “Financial insecurity and well-being” in the 21 st ISQOLS annual conference 2023, Rotterdam 21st-25th August 2023 (in collaboration with: Laura Neri-University of Siena, Angeles Sánchez- University of Granada)
- Organizer of the Special Session EO324: Advances in measuring and predicting socio-economic vulnerabilities in CMStatistics2023, University of Applied Sciences, Berlin, Germany, 16-18 December 2023 (Organizers: Antonella D'Agostino, Chiara Gigliarano-LIUC)
- Invited talk, “The fuzzy set approach as statistical learning for the analysis of multidimensional well-being”, SIS 2023 - Statistical Learning, Sustainability and Impact Evaluation, Ancona, June 21-23, 2023
- Invited talk “Teachers’ readiness to digital innovation in Italy: a regional perspective”- Session S03: Challenges in the construction of composite indicators for monitoring public policies, XLVII International Conference of Regional Science, Granada 19-21 Ottobre 2022
- Chair and organizer of the session “New perspective in multidimensional child poverty”, 50th Scientific Meeting of the Italian Statistical Society (virtual meeting, 21-25 June 2021).
- Invited talk “Vulnerability to child poverty: Material and social deprivation” 63rd ISI World Statistics Congress Measuring, 11-17 July 2021 (virtual event)

Research/teaching fellowships abroad

- 21/02/26-02/03/26 Teaching cycle (10 hours), 'QUANTITATIVE METHODS APPLIED TO TOURISM', Eastern Regional University Center (CURE), Faculty of Economic Sciences and Administration (FCEA) University of the Republic, Uruguay, PNRR-within the framework of the TNE DESK project 23–27
- June 2022: Teaching cycle (8 hours) within the Staff Mobility for Teaching programme at the Bulgarian Academy of Sciences, Sofia.
- 10–11 October 2019: Seminar “A Multidimensional and Fuzzy Approach for Measuring Children’s Well-being” at the Department of Quantitative Methods for Economics and Business and the Department of Economic Theory and History, University of Granada (2 hours).
- 19–24 January 2020: Visiting Researcher, University of Granada; research collaboration with Prof. Angeles Sanchez.
- 27 January – 1 February 2019: Visiting Researcher, AIAS Centre – University of Amsterdam; research collaboration with Prof. Stephanie Steinmetz.
- 4–10 February 2018: Visiting Researcher, AIAS Centre – University of Amsterdam; research collaboration with Prof. Stephanie Steinmetz.
- 3–8 August 2017: Teaching cycle, International Summer School “A Fuzzy Set Approach to Multidimensional Poverty Measurement”, ZIF (Center for Interdisciplinary Research), University of Bielefeld, Germany (12 hours).
- 23 January – 6 February 2017: Visiting Researcher, AIAS Centre – University of Amsterdam; research collaboration with Prof. Stephanie Steinmetz.

- 22 July 2014: Lecture “Session on Multidimensionality IV: Practicum Illustration Case Studies (short course for PhD and post-doc students)”, International Summer School on Poverty and Social Exclusion in Three Dimensions: Multidimensional, Longitudinal and Small Area Estimation, InGRID – Inclusive Expertise in Inclusive Growth Project, University of Pisa, 21–25 July 2014 (2 hours).

Academic appointments

- President of the Evaluation board (Nucleo di Valutazione) of the University of Siena (since October 2024)
- GEV member for the VQR (ANVUR) 2015-2019 Area 13a (2021)
- Member of Evaluation board (Nucleo di Valutazione) of the University of Siena (January 2020 – September 30th 2023)
- Participation in the international Commission for the evaluation of the doctoral thesis entitled "Essay on well-being: Mobility and earner position within the household", carried out by my PhD student María Victoria Navarro Hernández, University of Granada (11 October 2019)
- Member of the Doctoral Faculty Board of the National PhD Programme (DIN) Life Course Research (since academic year 2024/2025, 40th doctoral cycle), University of Florence
- Member of the Doctoral Faculty Board of “Economics, Statistics and Sustainability”, Dept. of Economics and Legal Studies, University of Napoli “Parthenope (2014-2023).
- Member of the Doctoral Faculty Board of “ECONOMIA QUANTITATIVA ED EUROLINGUAGGI PER LA SOSTENIBILITA' DEL BENESSERE”, Dept. of Economics and Legal Studies, University of Napoli “Parthenope (2013-2014).
- Member of the Doctoral Faculty Board of “STATISTICA E QUALITÀ DEI DATI ECONOMICI”, University of Napoli “Parthenope (2011-2012).
- Member of the Department committee (Giunta del Dipartimento) Dept. of Management and Quantitative Studies, University of Napoli “Parthenope” (2014-2016)
- Member of the Department committee (Giunta del Dipartimento), Dept. Of Statistics and Mathematics for the Economic Research, Faculty of Economics, University of Napoli “Parthenope” (2006-2010)
- Researchers' representative, Faculty of Economics, University of Napoli Parthenope (2006-2008)

Editorial and Peer-Review Activities

- 2022: Guest Editor of the Special Issue “Advanced Techniques for Constructing Indicators and Composite Indicators”, Social Indicators Research, in collaboration with Angeles Sanchez, Eduardo Jiménez-Fernandez, and Laura Neri.
- October 2018 – present: Member of the Editorial Board, Estudios de Economía Aplicada, Spain. ISSN: 1697-5731
- 2020: Guest Editor of the Special Issue “Multidimensional Child Poverty and Sustainability”, Sustainability (MDPI), in collaboration with Laura Neri
- 2025-present: Member of the Editorial Team (Section Editors), Italian Journal of Economic, Demographic and Statistical Studies
- *Reviewer for International Journals:* Applied Research in quality of life; Social Indicator Research; International Journal of Social economics; Child Indicator Research; Journal of Applied Statistics; Journal of Cleaner Production; Empirical Economics; OPSEARCH; Societies; Health and Places; Metron; Environment, Development and Sustainability; Socio Economic Planning Science, Estudios de Economía Aplicada, Review of Income and Wealth, Applied Economics, International Journal of Manpower, Quality & Quantity, International Journal of Bank Marketing, Annals of Operations Research, Economía Política

EDUCATION AND TRAINING

- | | |
|---------------------------|--|
| December 1999- March 2000 | - Visiting researcher at ESRC Research Centre on Micro-Social Change, "European Centre for Analysis in The Social Sciences (ECASS)", University of Essex, UK. |
| March 1998 | - Visiting fellow at Department of Economics (Leicester University, UK), supervisor Prof. S. Pudney |
| 1998 | - Cide - Advanced Course in Econometrics, University of Bologna, Bertinoro |
| 1996-1999 | - Ph.D. in in Applied Statistics, XI Cycle – University of Florence, Italy; Title of the doctoral dissertation: "A multi-state model for analyzing the school-to-work transition". Supervisor: Prof.Fabrizia Mealli. |
| 1994 | - Degree in Statistical and Economic Sciences with honors (110/110 cum laude), University of Siena, Italy. Supervisor Prof. Achille Lemmi |

PERSONAL SKILLS

- | | |
|-------------------|---------------------------|
| Mother tongue(s) | Italian |
| Other language(s) | English (B2), French (A1) |
| IT skills | STATA, R, SAS, OFFICE |
