Mission in Maputo (Mozambique) (September 2013)
- Research consultant for GOPA Consulting in the research project "Quality, methodology and research Lot 1: Methodological support Guidelines tools and desktop study for the implementation of the methods for an integrated system of European Social Surveys". (November 2013-July 2014)

Research projects
(last ten years)

- Principal investigator of the Research Project PRIN 2022 "Stem in Higher Education & Women INequalityS [SHE WINS]. Project code: 2022LWYSYL (October 15th 2023-today)
- Member of the research project PRIN PNRR 2022 "MYPEOPLE: Measuring inequality, Poverty and living conditions for Planning Local strategies". Project code: P2022J7TJ3. PI Prof. Gianni Betti, University of Siena. (November 30th 2023)
- Co-investigator of the Research Project ERDF-Junta de Andalucía, Project of Excellence (ProyExcel_00032), 2022-2025 (three years): Objective poverty and subjective socio-economic status in the European Union. Principal Investigator: Angeles Sánchez (University of Granada)
- Member of the research project "Pro-environmental behaviors, natural resources and social inequalities: multidimensional measures and models (CoRNDiS)", supported by University of Naples Parthenope using Italian Ministry for Education (MUR) funds (dm 737/2021). Principal Investigator Prof. Elisabetta Marzano, University of Naples "Parthenope". (January 2022- 2023)
- Member of the research project "An innovative methodological approach for measuring multidimensional poverty in Andalusia" (B-SEJ-242-UGR20). Funding FEDER-Universidad de Granada. Principal investigator. Prof. Ángeles Sánchez Domínguez (UGR) (July 2021- June 2023)
- Member of the Prin 2017 project - Students' Mobility from high school to job placement: micro-data life course analysis of university student mobility and its impact on the Italian North-South divide, research unit University Federico II, local PI Prof. Giancarlo Ragozzini, national PI Prof. Massimo Attanasio University of Palermo (2019-2022)
- Member of the research project "Sustainability, externalities and efficient use of environmental resources", supported by University of Naples Parthenope (Competitive Research Program, 2016-2018). Principal Investigator Prof. Bruno Chiarini, University of Naples Parthenope (April 2017- February 2020)
- Member of the research project Inclusive Growth Research Infrastructure Diffusion, G.A. no. 312691 (SEVENTH FRAMEWORK PROGRAMME – Capacities). Scientific coordinator Monique Ramioul e Guy Van Gyes, HIVA, Belgio (February 2013-February 2017)

Recent Organized/Invited
presentations

- Organizer of the Special Session "Financial insecurity and well-being" in the 21 st ISQOLS annual conference 2023, Rotterdam 21st-25th August 2023 (in collaboration with: Laura Neri-University of Siena, Angeles Sánchez- University of Granada)
- Organizer of the Special Session EO324: Advances in measuring and predicting socio-economic vulnerabilities in CMStatistics2023, University of Applied Sciences, Berlin, Germany, 16-18 December 2023 (Organizers: Antonella D'Agostino, Chiara Gigliarano-LIUC)
- Invited talk, "The fuzzy set approach as statistical learning for the analysis of multidimensional well-being", SIS 2023 - Statistical Learning, Sustainability and Impact Evaluation, Ancona, June 21-23, 2023

Academic appointments

- Invited talk “Teachers’ readiness to digital innovation in Italy: a regional perspective”- Session S03: Challenges in the construction of composite indicators for monitoring public policies, XLVII International Conference of Regional Science, Granada 19-21 Ottobre 2022
- Chair and organizer of the session “New perspective in multidimensional child poverty”, 50th Scientific Meeting of the Italian Statistical Society (virtual meeting, 21-25 June 2021).
- Invited talk “Vulnerability to child poverty: Material and social deprivation” 63rd ISI World Statistics Congress Measuring, 11-17 July 2021 (virtual event)

- GEV member for the VQR (ANVUR) 2015-2019 Area 13a (2021)
- Member of Evaluation board (Nucleo di Valutazione) of the University of Siena (January 2020 – September 30th 2023)
- Participation in the international Commission for the evaluation of the doctoral thesis entitled "Essay on well-being: Mobility and earner position within the household", carried out by my PhD student María Victoria Navarro Hernández, University of Granada (11 October 2019)
- Member of the Ph.D. program in “Economics, Statistics and Sustainability”, Dept. of Economics and Legal Studies, University of Napoli “Parthenope (2014-tpday)
- Member of the Department committee (Giunta del Dipartimento) Dept. of Management and Quantitative Studies, University of Napoli “Parthenope” (2014-2016)
- Member of the Department committee (Giunta del Dipartimento), Dept. Of Statistics and Mathematics for the Economic Research, Faculty of Economics, University of Napoli “Parthenope” (2006-2010)
- Researchers' representative, Faculty of Economics, University of Napoli Parthenope (2006-2008)

EDUCATION AND TRAINING

- | | |
|---------------------------|---|
| December 1999- March 2000 | - Visiting researcher at ESRC Research Centre on Micro–Social Change, “European Centre for Analysis in The Social Sciences (ECASS)”, University of Essex, UK. |
| March 1998 | - Visiting fellow at Department of Economics (Leicester University, UK), supervisor Prof. S. Pudney |
| 1998 | - Cide - Advanced Course in Econometrics, University of Bologna, Bertinoro |
| 1996-1999 | - Ph.D. in in Applied Statistics, XI Cycle – University of Florence, Italy; Title of the doctoral dissertation: “A multi-state model for analyzing the school-to-work transition”. Supervisor: Prof..Fabrizia Mealli. |
| 1994 | - Degree in Statistical and Economic Sciences with honors (110/110 cum laude), University of Siena, Italy. Supervisor Prof. Achille Lemmi |

PERSONAL SKILLS

Mother tongue(s)	Italian
Other language(s)	English (B2), French (A1)
