## EXPERIENCE

### Current positions

- January 2026 – ongoing **Director of the Centre for Security and Cooperation studies, University of Siena.**

- 01/04/2025 – ongoing **Coordinator of the Artificial Intelligence and Governance laboratory (IAGo)**, USiena AI network <https://sites.google.com/unisi.it/unisi-ia>

- 1/11/2024 Associate Professor in History of International Relations, University of Siena, **Vice Director of the Department of International Political Sciences.**

- 8/12/2023 scientific coordinator of the **Training in Radiological and International Nuclear Security (TRAINS)**, granted by OECD-NEA in the frame of NEST program.

- From July 2023 on Member of the teaching board of the **PhD course of National Interest in European Studies.**

- From February 2023 on, **Member of OSCE Italian desk.**

- 1/06/2021- 31/12/2025 ongoing **Alcide De Gasperi Center, European University Institute, Visiting Fellow.**

- 23/04/2021-ongoing Member of the scientific committee of the Specializing **Master program in international Nuclear safeguards**, organized by the Polytechnic of Milan and the European Nuclear Education Network, in the frame of **European Commission DG DEVCO** project “European safeguards training and education (SaTE): historical and legal modules coordinator

- 01/03/2022- ongoing delegate of the University of Siena in the IAEA promoted partnership **International Nuclear Security Education Network (INSEN)**

- 01/01/2018 ongoing, Italian Member of the Independent Scientific Evaluation Group (ISEG) of **NATO Science for Peace and Security Program.**

- 15/06/2019- ongoing Member of the board of directors of NATO Defense College Foundation <http://www.ndc-foundation.org>

### Previous professional positions

- 30/12/2024-30/12/2025 Service contract, Joint Research Centre – European Commission (JRC-EC), Ispra site management. Institutional history of Ispra’ site.

- 01/11/2021-31/10/2024 Assistant Professor, History of International Relations, University of Siena 1240, Department of International Political Sciences.

- 01/02/2022-30/06/2024 Teaching assistant - Società italiana per l'organizzazione internazionale (SIOI) training courses for the diplomatic career.

-01/11/2021-30/04/2023 Service contract, Joint Research Centre – European Commission (JRC-EC), Directorate of nuclear safety and security, for the JRC institutional history project (iHiP)

- 20/03/2021-20/07/2021 Adjunct lecturer in History of International relations, Vanvitelli University (Naples 2)

- 01/01/2020-31/05/2020 Taiwan Fellow, Republic of China Ministry of Foreign Affairs 2020; title of the research: “What role for Taiwanese diplomacy in avoiding a nuclear cascade in East Asia”. Hosts: National defense university; National Chengchi University

- 01/04/2017-30/04/2017 Contract lecturer for one seminar titled “Patterns for nuclear integration: EURATOM experience” for PhD course of International Law, and for one keynote speech in the symposium “Terrorism: many faces, challenges and actions to take”, Faculty of Law, Keio University Tokyo

- 01/03/2017-30/09/2017 Service contract with the European Commission, Joint Research Centre, for the European Safeguards Research and Development Association (ESARDA) annual courses

- 01/03/2017- ongoing Lecturer on EURATOM history in the European Safeguards Research and Development Association (ESARDA) courses: EURATOM history

- 20/04/2016-31/01/2021 Adjunct Professor in the Special school for archivists and Librarians, Sapienza University of Rome, course of History and Policy of Scientific Research

- 01/10/2015-30/09/2016 research fellow (Italian law 240/2010) in the University of Florence, department of Political and social sciences. Topic of the research: Fast Breeder Reactors international cooperation in Europe.

- 01/12/2012-28/02/2013 researcher contractor in charge for the coordination of Italian branch of EuroArch project, University of Maryland, research coordinator Suzzette Smiley Lopez Abbasciano, National Consortium for the Study and Response to Terrorism <http://www.start.umd.edu/start/>

- 01/04/2010-30/04/2012 Adjunct professor of History of East Asia at the School of Political Science, University of Florence

- 01/03/2009-30/09/2009 Visiting Fellow at the European University Institute (EUI), Department of History and Civilization. Research Project: “Fast Breeder Reactors Program in France, Italy, and Germany (1960s-1980s)”. Supervisor: Prof. Kiran Klaus Patel.

- 01/07/2012-30/06/2015 research fellow (Italian law 240/2010) in the University of Florence, department of Political and social sciences. Topic of the research: Italian foreign policy in the Mediterranean area. The contracts were co-financed by the Jean Monnet Center of the University of Florence and by the Oral History of Italian Foreign Policy project, promoted by the Italian Encyclopedia “Treccani”

- 01/07/2007-30/06/2012 Post-graduate fellow, School of Political Science, University of Florence

- 01/04/2007-30/04/2009 Adjunct professor of History of North America at the School of Political Science, University of Florence.

### **Education**

- 01/01/2002-01/07/2005 PhD History of International Relations, Department of study on the State, University of Florence, Italy

- 10/10/2000 Graduated in Political Sciences, University of Florence

### **Fellowships, delegations and memberships**

- 2024- ongoing, Coordinator of the Erasmus KA 171 actions with ADA University (Azerbaijan), YSU (Armenia), TSU (Georgia), OiB (Kirgizstan), KIMEP (Kazakhstan).

- 1/9/2024-28/2/2025 Visiting scholar, Center for Biosecurity Studies, London Metropolitan University

- 1/02/2023 – ongoing, PoC for the OSCE seminars, organized by the Italian delegation at OSCE

- 1/08/2023 In charge for the international agreement of the OSCE Academy with the University of Siena

- 18/07/22-14/07/2022 chair of the International Nuclear Security Education Network (INSEN), the International Atomic Energy Agency academic partnership for Nuclear security

- 31/05/2022 national scientific qualification as full professor in History of international relations.

- 30/10/2015-27/04/2016 member of Italian delegation at Steering Committee of Nuclear Energy Agency of Organization for Economic Cooperation and Development

- 30/01/2012-30/11/2016 delegate of Machiavelli Center for Cold War Studies at EU Consortium on Non Proliferation and Disarmament

### **Reviews and evaluations**

- **Reviewer for the international journal “Frontiers in Artificial Intelligence”**

- 20/12/2020-15/01/2021 reviewer for the international journal “Centaurus”

- 05/02/2020-30/03/2020 reviewer for the international journal “Annali dell’Istituto storico italo-germanico in Trento/ Jahrbuch des italienisch-deutschen historischen Instituts in Trient”

- 10/10/2019-20/03/2020 reviewer for the international journal “Business History”

- 18/09/2018-18/10/2018 evaluator for post-doc projects, University of Insubria

- 26/07/2018-18/11/2018 evaluator for the “brains go back” program “Rita Levi Montalcini”, Italian Ministry of Education and Scientific Research

- 02/03/2016-20/04/2016 evaluator for the international cooperation project of the French-Italian University

## **PUBLICATIONS**

### **Monographs**

- (with Castello, P.; Wilkinson, D.) *Ricercare il futuro. Storia del Centro Comune di Ricerca di Ispra*. European Union Press Office, Luxemburg 2025.

- *Il dirottamento dell'Achille Lauro e i suoi inattesi e sorprendenti risvolti* [The Achille Lauro hijacking and its unexpected and surprising implications], Arnoldo Mondadori Education: Milano 2016.

- *La rete elettrica nazionale* [The National Electric Grid], Roma: Archivio storico ENEL 2013.

- *Sansone e la Guerra fredda. L'opzione nucleare israeliana e il confronto bipolare in Medio Oriente* [Samson and the Cold War. Israel's nuclear option and the bipolar confrontation in Middle East], Florence: Firenze University Press 2010.

### **Articles**

- “Nuclear settlers in a European land? The making of the Centre commune de recherche in Ispra”, *Historical and Social Research* (2024), 49 (1): 77-91.

### **CONFERENCES, WORKSHOPS, SEMINAR AND SCHOOLS**

**Presentations (invited or CFP) to peer-reviewed, internationally established conferences and international advanced schools**

- “Accountable History of Nuclear Programs: the Italian Case”. OECD-NEA Fourth Stakeholder Involvement Workshop, Paris, 15-17 October 2025.
- “The Nuclear Security Short History and Its Meaning for the CBRN International Agreements”. London Metropolitan University Research Talk, London, 29 April 2025.
- Keynote speech at OSCE Academy in Bishkek annual security conference, Bishkek 16-17 December 2024.
- "A Historical Assessment of Nuclear Security: We're Not in Kansas Anymore". Paper presented at Alva Myrdal Centre for Nuclear Disarmament's Conference *Reinvigorating Nuclear Disarmament*, Uppsala, 18-19 June 2024.
- “International Cooperation as a Tool to Improve Educational Pattern: the International Nuclear Security Education Network Experience” presentation in the Conference “Science, Education, Innovation and Chemical Technologies” Tbilisi State University, 23 November 2023
- “Storia del programma ricerca e sviluppo nucleare del JRC Ispra. Per una storia applicata della ricerca nucleare nella costruzione europea”, presentation in the conference “60 anni di sicurezza nucleare al JRC Ispra. Il futuro della ricerca nucleare con l’Europa”. Joint Research Centre Ispra, 6 November 2023
- “Political and Historical Studies for Nuclear Knowledge Management, Policy-making and Civil Society Communication”, presentation in the event “Atoms for Future: Italian Research and Innovation”. Italian Stand at 67<sup>th</sup> IAEA General Conference. Vienna, 26 September 2023
- “International Nuclear Security Education Network (INSEN): An Interdisciplinary Forum for Nuclear Security Development”, presentation in the INMM/ESARDA joint annual meeting, Vienna 22 May 2023
- “The need of historical background studies”, presentation in the “Status of Graduate Academic Programs in Nuclear Nonproliferation International Safeguards an International Perspective” panel session, Vienna 23 May 2023 INMM ESARDA joint annual meeting
- “The JRC – EC and the quest for its nuclear reactor type between Usa and USSR”, presentation in the Conference “The Sputnik Factor” University Pompeu Fabra 18-20 May 2023
- “Gian Franco Pompei”, presentation in the conference “Gli ambasciatori italiani in Francia”, 1-2 December 2023 Italian Institute of Culture/Italian Embassy, Paris
- “La politica euro-mediterranea”, presentation in the conference “Craxi e Andreotti. Politiche, stili e visioni tra conflitti e collaborazione”, 16 May 2022, Senate of the Republic, Rome
- “Dalla Grande Guerra alla ‘pace senza pace’ di Versailles: l’europeismo di Giacomo Matteotti” [From WWI to the ‘peace without peace’ of Versailles], in “Europeismo e antifascismo tra le due guerre” [Europeism and antifascism between world wars], Università del Salento, 26-27 November 2021, Lecce
- “The creation of the EURATOM research centre in Ispra, Italy: the first effort to achieve a European nuclear community”, Royal Geographic Society (RGS-IBG) Annual International Conference 2021, 31 August-03 September 2021, London
- “From Water to Atom: the investments by the Italian banks and the local communities opposition to hydropower basins and nuclear plants” (with F. Nemore and G. Paoloni), EOGAN 2020 (delated and moved to virtual), 27 May 2021

- “Comparing Regional Proliferation Risks and Safeguards Systems” (with M. Ikegami), ESARDA Symposium, 14-16 May 2019, Stresa

- “European cooperation, national competition: the EURATOM Commission and the animal spirits of fast neutrons reactors” in “The History of EURATOM. Science, international politics and nuclear diplomacy”, Università Roma Tre, 9-10 May 2019, Rome

- “The EURATOM fast breeder reactor program: nuclear diplomacy between nations and integration”, presentation in the workshop “Nuclear Diplomacies: Their Past, Present, and Future”, 9-11 November 2018, Sokendai, Kanagawa

- “The IAEA: historiography and research prospects”, presentation in the IUSS of University of Pavia symposium “United Nations and International System. Interdisciplinary studies”, Pavia, 9 November 2017

- “The Achille Lauro Hijacking”, presentation at the international symposium of International Law, Keio University School of Law, Tokyo, 21 April 2017

- “Nuclear Security as an International Ongoing Process” - paper presented at 3rd International Conference Nanotechnologies and Biomedical Engineering (ICNBME), Chisinau, 23-25 September 2015

- “How Fast Breeder Reactors Triggered Legislative Changes in Italy” - paper presented at international SENIX conference, held in Stockholm, the 25-27 May 2015

- “Energy Independence vs Nuclear Safeguards: U.S: Attitude toward French-Italian Breeder Reactors Program” - paper presented in the international conference “Italy’s Nuclear Experience”, Trieste 13-15 November 2014

- “Nuclear Power and Public Opinion in Italy: the referendum on nuclear energy”- Paper presented in the Symposium “S42 Atomic Energy in the Public Sphere”, held at the 4th International Conference of European Society for the History of Science, Barcelona, 18-20 November 2010

- “Italian Nuclear Programs”- paper presented in the 6th session of “Transfer and reception of Nuclear technology in a Peripheral Europe” of Science and Technology in European Periphery (STEP) 2010 meeting, Galway 17-20 June 2010

- “The Achille Lauro Hijacking and US-Italy relations”. Paper presented on invitation at the international conference “Italian Foreign Policy in the Eighties”, Rome, 17-18 January 2002. (This conference was organised by ISPI, Fondazione di studi storici Filippo Turati, with the sponsorship of the Prime Minister's Office)

### **Other Workshop and conferences**

- “La Guerra e l’arma nucleare” [The War and the Nuclear Weapon], presentation at the conference “Nomi e forme della violenza politica” [Names and shapes of political violence. After the XX century], University of Florence, 22-23 February 2018

- “The Joint Research Centre of Ispra and the Italian commitment for the European Science Hub”, presentation in the International Conference “Understanding the European Union” Joint Citizen’s Forces – Common European Future strand of EACEA. Ljubljana, 1-3 December 2017
- “The need for a National Nuclear Security Plan” presentation at Trieste NEXT “ENERGETHIC”, 27 September 2014
- “Compact Course in Nuclear Security”- Education project presented at the IAEA Workshop on Coordination and Promotion of Education Program in Nuclear Security, Vienna 29-31 March 2010
- “The Italian FBR program”- Paper presented at the second meeting of the seminar on “A Comparative Study of European energy Programs”, Barcelona, University Pompeu Fabra, 3-4 December 2009, Chair of the seminar: Albert Presas I Puig
- “Technoscientific power and contemporary China”- Paper presented at the international conference “Galileo in China”, Florence, Gabinetto Vieusseux, 17 November 2009
- “Elements of Italian Nuclear History” – Paper presented at the seminar: “A Comparative Study of European energy Programs”, Barcelona, University Pompeu Fabra, 5-6 December 2008, Scientific chair of the seminar: Albert Presas I Puig

#### Organisation of International conferences

- Convener of the OSCE HCNM symposium “Contested Histories: Challenges and Opportunities in Building More Cohesive Societies”, Siena, 2-3 October 2025
- **Scientific Chair and Convener of the International Workshop “International cooperation to strengthen policy and governance of artificial intelligence in the national cybersecurity strategy, in cooperation with the Italian National Agency for Cybersecurity, Siena 16 June 2023**
- Scientific chair of the workshop International Best Practices and Lessons Learned on the Public Engagement of the Back End of Fuel-Cycle, held in the ENEA laboratories, Frascati (Rome) 12 October 2018 <https://www.eurosafe-forum.org/node/505>
- Scientific chair of the permanent Seminar on Fast-breeder reactor history, a common project of Machiavelli Center, Academy of Science of Bologna and ENEA. The first meeting was held in Bologna, the 15th June 2015
- Member of the scientific committee of the international workshop “The American Challenge. The impact of the US scientific, technological and industrial organization in Post-war Europe”, held in Barcelona, University Pompeu Fabra, 15-17 December 2011
- Member of the scientific committee of the of the first Seminar of International History Researches' in Science and Technology, focusing on historical researches in aerospace cooperation, Florence, Faculty of Political Science, 8 June 2010
- Organizer of the panels 242 and 269 “The Middle East during the Global Cold War”, held at the 3rd World Congress for Middle Eastern Studies (WOCMES), Barcelona, 19-24 July 2010, “The Nuclear Issue in Middle Eastern Global Cold War” - paper presented here

- Member of the scientific Committee of the international conference “Nuclear Proliferation: History and Current Problems”, Florence, University of Florence, 4-5 October 2007 (with A. Baracca, R. Braun, L. Nuti, A. Presas i Puig, J. Renn)

- Member of the steering committee of the international conference “From Helsinki to Gorbachev: The Globalization of Bipolar Confrontation (1975-1985)” Artimino (Florence), 26-28 April 2006. (This conference was organised by the Machiavelli Center for Cold War Studies and the Woodrow Wilson Center: Cold War History Project).

## **PARTICIPATION IN RESEARCH PROJECTS**

- 15/01/2016-15/04/2018 member of the Universitat Pompeu Fabra Unit in the H2020 granted project “History of nuclear energy and society” (HoNESt). Deliverable: “Italy: short Country report” HoNESt project 2017 [http://www.honest2020.eu/sites/default/files/deliverables\\_24/IT.pdf](http://www.honest2020.eu/sites/default/files/deliverables_24/IT.pdf)

- 01/09/2011-30/06/2012 member of the research unit on nuclear energy for the project “Engines of Growth” funded by Ministry of University and Scientific Research Future in Research project (RBFR10JOTQ), call 2010

- 01/03/2010-30/11/2012 member of Florence Unit in the Progetto di rilevante interesse nazionale (National Research Project, PRIN): “In the Shadow of the Bomb: a Political History of Nuclear Energy's Military and Peaceful Uses” (funded by Italian Ministry for University and Scientific Research).

## **FUNDING RECEIVED SO FAR**

- Research grant of 32.000 euros from the University of Siena for the project MERLIN, on the experts transnational communities.

- Research grant of 1.500 euros from the Filippo Turati Foundation for the paper presented in the conference granted by the Italian Presidency of Minister’s Council, “Europeismo e antifascismo tra le due guerre” [Europeism and antifascism between world wars], Università del Salento, 26-27 November 2021, Lecce

- NATO science for Peace and Security grant of 59.000 euros for the proposal of Advanced research workshop on “CBRN risks in land, maritime and container security”, hold in Rome 25-27 May 2016.

- NATO science for Peace and Security grant of 60.000 euros for the proposal of Advanced training course on “Nuclear Nonproliferation and Security on international perspective”, ran in Rabat 15-20 December 2014, at University Mohamed V.
