

Prof. Dr. Gianmarco de Donato, MD

Gianmarco de Donato is a Full Professor in Vascular Surgery at the Department of Medicine, Surgery and Neuroscience of the University of Siena.

He received the title of Specialist in Vascular Surgery at the University of Siena in 2005. He held the position of Researcher/Assistant Professor from 2006 to 2017, Associate Professor from 2018 to 2022, again at the University of Siena.

The main research areas are in the field of vascular surgery, with reference to the development of new endovascular technologies and their clinical application for the treatment of aortic arterial pathologies of the carotids and arteries of the lower limbs.

He was the contact person for the quality of teaching for the Department of Medical, Surgical and Neuroscience Sciences from 2018 to 2022, and is currently a member of the University Quality Committee (PQA) since 2022.

He is a member of the main national and international scientific societies of Vascular Surgery.

He is the author of over 180 publications in peer-reviewed journals, resulting in the following personal bibliometric parameters: h-index 32, total citations > 3800.

He is a reviewer for over 20 scientific journals and, moreover, he is a member of the Editorial Boards of the following journals: Eurointervention (Impact factor: 5.165), Journal of Endovascular Therapy (Impact factor 3.12), Frontiers in Cardiovascular Medicine (Impact factor 5.05), Journal of Clinical Medicine (Impact factor 4.96)

He is reviewer of national projects MIUR (Ministry of Education, University and Research) for his medical-disciplinary sector (since February 2012), and "peer" reviewer for CINECA in the evaluation of research products awarded to the VQR 2004 -2010 and VQR 2011-2014 (from October 2012)

He is a member of REPRISE (Register of Expert Peer Reviewers for Italian Scientific Evaluation): a register of independent Italian and foreign scientific experts established at the Ministry of Education, University and Research (since September 2015).

He is Coordinator of the 6th SITE VISIT Commission for the accreditation of Specialization Schools (Appointment by the MIUR of 17 January 2022) at Universities located in the territory of the Tuscany region.
